Anna Dewey & Evandro Santos representing Multimodal Norfolk

They are here because our mayor wanted to see more resident education into this important effort.

Make getting around better & safer

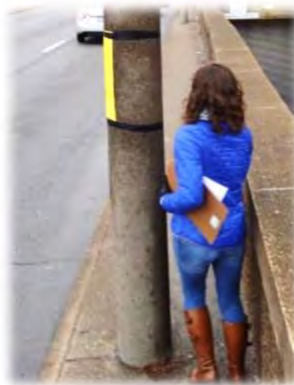

East Ocean View Civic League Meeting April 1, 2021 VIA ZOOM

It's about safety first

In 2018, **15** people were killed in traffic-related incidents on Norfolk's streets.

Six pedestrians or bicyclists are killed in Norfolk on average every year.

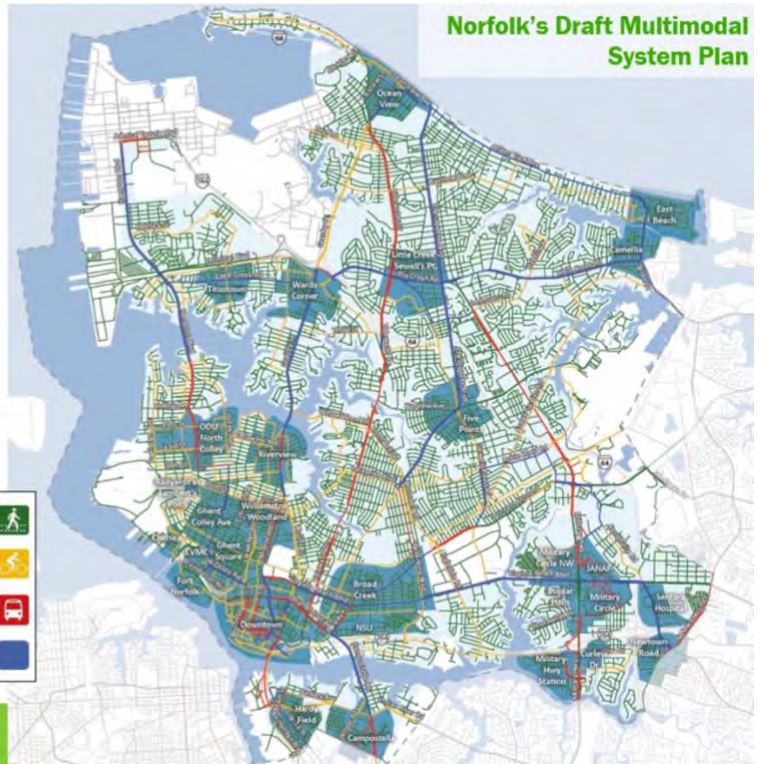

Multimodal Norfolk is about...

Norfolk's Multimodal System Plan

- Map series
- Identifies which streets are important for different modes
- Shows future connections across the entire city

Norfolk's Draft Multimodal System Plan

View the Multimodal System Plan maps at
www.MultimodalNorfolk.com.

What are the benefits?

- Transportation investments to make Norfolk a competitive city to live and work
- Greater economic potential
- Environmental benefits
- Safer facilities for bicycles, scooters & pedestrians (Vision Zero)
 - Safer street crossings & accommodations
 - Sidewalk improvements
 - More bike lanes

Multimodal System Plan

DRAFT VERSION 11/23/2020

Update on the Multimodal Norfolk Process

What is Multimodal Norfolk about?

How are we advancing the goals?

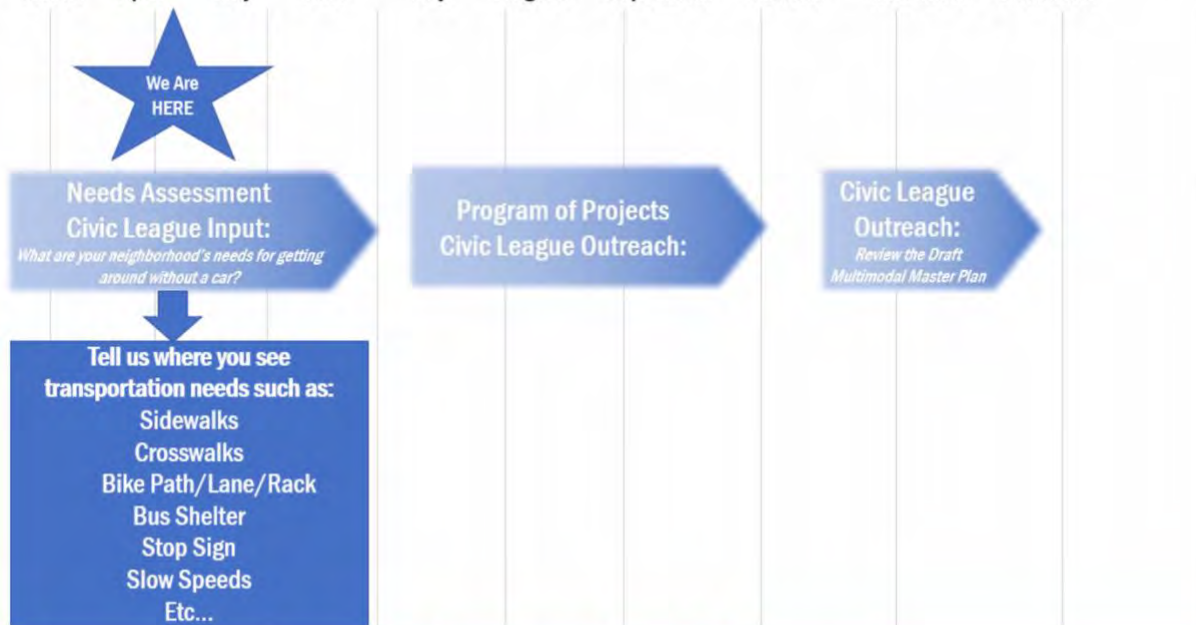

What are the benefits?

How can you help?

Project Schedule 2021

March April May June July August September October November December

Where are we in the process?

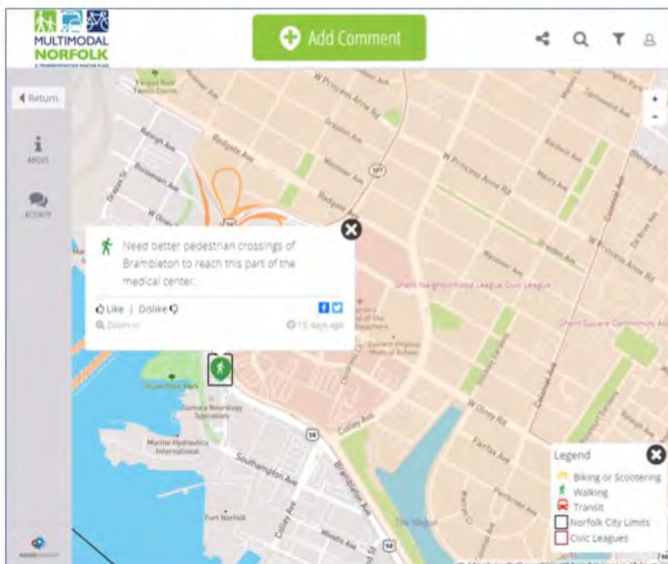

Multimodal Needs Assessment

- What projects should happen where?
- Where are the areas with greatest needs for walking, bicycling, scootering, and taking transit?

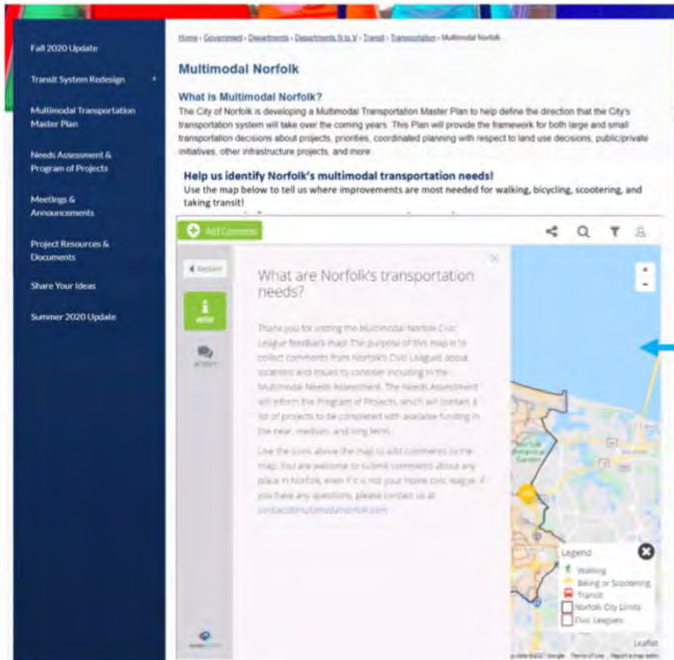

We need your input!

- Find your civic league on the interactive map and add your comments.
- Tell us where the greatest needs are for walking, bicycling, scootering, and buses.

East Ocean View Civic League Meeting April 1, 2021 VIA ZOOM

We had a successful build of new planters at the **Community Garden** on Saturday, March 27. With 29 volunteers, delicious coffee from COVA and Gatorade and snacks from the Storehouse, the work went pretty quickly and the results are astounding. The city has promised to get the water turned on in the Garden soon so that we can get everything planted.

The Army Corps is reviewing our Wetlands Permit for the shoreline restoration and anticipates finishing their review by the end of April. We will be announcing the date for the shoreline restoration at the Kayak Launch area as soon as possible and hope to have a great turn out sometime in MAY.

Many of you saw our own **Dana Andrews featured in the VA Pilot** for her work feeding the EOVL kids during the pandemic. The article generated funds to cover her expenses and outreach to the kids and she has written a lovely thank you which I will read to you all now: (read letter)

Newcomer packets are being delivered thanks to some wonderful members who offered to take this on! If anyone needs a packet for someone, just let me know.

The Coastal VA Plein Air, “Building Community through Art” will bring their 5th annual festival to EOVL on April 15-18. Several events are planned over the 4 days with culminating events on April 18th at COVA Brewing. Tickets are on sale and can be purchased at www.costalvpleinair.com I sent out the flier with this meeting announcement.

There will be an **Easter Egg Hunt of 10,000 eggs at the Aviation Institute on Little Creek on Saturday April 3, from 10-12pm**. Masks are required but fun for all the kids! EOVL will have a table at the event to try and attract more members.

Information on a new program on Flooding that was featured in the VA Pilot. If anyone wishes to check whether they are at risk before considering buying flood insurance, log into: norfolk.floodriskcenter.com **It will be in the next Newsletter!**

Thanks to an anonymous donor, we have a program to do good 2 ways! For every 13 gal (think kitchen sized trash bag) collected on our streets between now and July 1 with a photo taken and sent to eovcl.president@gmail.com **\$1.00** will be donated to EOVL for use on community projects. This is a win/win – a cleaner EOVL and funds to continue our charitable works. Let us see how much we can raise!
